ANNUAL e-GOVERNANCE REPORT FOR AY 2022-2023

The principal is pleased to present the following annual e-Governance report of RIPH for the Academic year 2022-2023.

The institution has implemented e-Governance in the following areas of operation:

1. Administrations
2. Finance and accounts
3. Student admission and support
4. Examination

The details of the above are as follows:

1. Implementation of e-Governance in Administration College Website-www.ratnampharma.edu.in

a. The college website is used for hosting information and notices from time to time related to administration and students. The website is constantly updated with respect to Placements, Conferences, Workshops and information related to various committees like student welfare and grievance. Academic calendars, examination timetable, semester end examination results and other related information like holiday are also hosted in college website. In addition, details regarding various MoUs and program related feedbacks are posted.

b. The college submits its data annually on the AISHE portal All India Survey on Higher Education AISHE - <http://aishe.gov.in/aishe/institutel.org> Page, and in the AICTE portal https://portal.aicte-india.org/partnerportal_enu/. Data is submitted on several parameters such as teachers, student enrolment, programs, examination results, education finance, infrastructure, Indicators of educational development such as Institution Density, Gross Enrolment Ratio, Student-teacher ratio, Gender Parity Index, Per Student. The college updates student and faculty related information in the state government website: <https://jnanabhumi.ap.gov.in/>, <https://the.survey.apsche.ap.gov.in/>.

ANNUAL e-GOVERNANCE REPORT FOR AY 2021-2022

The principal is pleased to present the following annual e-Governance report of RIPH for the Academic year 2021-2022.

The institution has implemented e-Governance in the following areas of operation:

1. Administrations
2. Finance and accounts
3. Student admission and support
4. Examination

The details of the above are as follows:

1. Implementation of e-Governance in Administration College Website-www.ratnampharma.edu.in

a. The college website is used for hosting information and notices from time to time related to administration and students. The website is constantly updated with respect to Placements, Conferences, Workshops and information related to various committees like student welfare and grievance. Academic calendars, examination timetable, semester end examination results and other related information like holiday are also hosted in college website. In addition, details regarding various MoUs and program related feedbacks are posted.

b. The college submits its data annually on the AISHE portal All India Survey on Higher Education AISHE - <http://aishe.gov.in/aishe/institutel.org> Page, and in the AICTE portal https://portal.aicte-india.org/partnerportal_enu/. Data is submitted on several parameters such as teachers, student enrolment, programs, examination results, education finance, infrastructure, Indicators of educational development such as Institution Density, Gross Enrolment Ratio, Student-teacher ratio, Gender Parity Index, Per Student. The college updates student and faculty related information in the state government website: <https://jnanabhumi.ap.gov.in/>, <https://the.survey.apsche.ap.gov.in/>.

ANNUAL e-GOVERNANCE REPORT FOR AY 2019-2020

The principal is pleased to present the following annual e-Governance report of RIPH for the Academic year 2019-2020.

The institution has implemented e-Governance in the following areas of operation:

1. Administrations
2. Finance and accounts
3. Student admission and support
4. Examination

The details of the above are as follows:

1. Implementation of e-Governance in Administration College Website- www.ratnampharma.edu.in

a. The college website is used for hosting information and notices from time to time related to administration and students. The website is constantly updated with respect to Placements, Conferences, Workshops and information related to various committees like student welfare and grievance. Academic calendars, examination timetable, semester end examination results and other related information like holiday are also hosted in college website. In addition, details regarding various MoUs and program related feedbacks are posted.

b. The college submits its data annually on the AISHE portal All India Survey on Higher Education AISHE - <http://aishe.gov.in/aishe/institutel.org> Page, and in the AICTE portal https://portal.aicte-india.org/partnerportal_enu/. Data is submitted on several parameters such as teachers, student enrolment, programs, examination results, education finance, infrastructure, Indicators of educational development such as Institution Density, Gross Enrolment Ratio, Student-teacher ratio, Gender Parity Index, Per Student. The college updates student and faculty related information in the state government website: <https://jnanabhumi.ap.gov.in/>, <https://the.survey.apsche.ap.gov.in/>.

ANNUAL e-GOVERNANCE REPORT FOR AY 2018-2019

The principal is pleased to present the following annual e-Governance report of RIPH for the Academic year 2018-2019.

The institution has implemented e-Governance in the following areas of operation:

1. Administrations
2. Finance and accounts
3. Student admission and support
4. Examination

The details of the above are as follows:

1. Implementation of e-Governance in Administration College Website- www.ratnampharma.edu.in

a. The college website is used for hosting information and notices from time to time related to administration and students. The website is constantly updated with respect to Placements, Conferences, Workshops and information related to various committees like student welfare and grievance. Academic calendars, examination timetable, semester end examination results and other related information like holiday are also hosted in college website. In addition, details regarding various MoUs and program related feedbacks are posted.

b. The college submits its data annually on the AISHE portal All India Survey on Higher Education AISHE - <http://aishe.gov.in/aishe/institutel.ogi> Page, and in the AICTE portal https://portal.aicte-india.org/partnerportal_enu/. Data is submitted on several parameters such as teachers, student enrolment, programs, examination results, education finance, infrastructure, Indicators of educational development such as Institution Density, Gross Enrolment Ratio, Student-teacher ratio, Gender Parity Index, Per Student. The college updates student and faculty related information in the state government website: <https://jnanabhumi.ap.gov.in/>, <https://the.survey.apsche.ap.gov.in/>.

2. Implementation of e-Governance in Finance and Accounts

a. Accounts: All the Payments and Receipts information is managed on Tally - 9. The competent auditors audit the necessary information in the Tally.

b. Online Fees Payment: Institution has successfully implemented cashless fees payment system through POS terminals and implementation of Unified Payment Interfaces (UPI) such as Paytm, PhonePe and internet payment. Majority of the students are paying the fees through online.

3. Student Admission and support:

a. Admission Details: The admission details including student admit year, branch, register number and category of the admission are uploaded to state government websites <https://jnanabhumi.ap.gov.in/> and in <https://the.survey.apsche.ap.gov.in/>. Further details like fee reimbursement and other financial benefits received from the state government are uploaded. Even attendance details are uploaded through the designated website to the state government and the affiliated University, JNTUA

b. Academic Details: the academic details of the students, are uploaded to EMS, our college existing automation. All details regarding their attendance and marks obtained in internal and external exams are uploaded for communicating the parents their wards SMS provision is available in the EMS. In the academic year 2018-2019, the college has procured ECAP (Engineering Colleges Automation Package) offered by EMS approved by JNTUA for better and efficient e governance.

4. Examination

The internal examination related details are like the time tables are posted in the college website. The internal marks are uploaded in the University portal. The external practical examination time tables are posted in the website and the both the internal and external marks are uploaded to University portal. The results are given in the university portal which are displayed for students in college website.
